PIRATE SHOW

CABIN FEVER

Join Captain Bullock and Bosun Bell for maritime mayhem, magic and mirth.

Witness the Indian Club Work-Out, Navigating the Celestial Spheres and the dare-devil Dove become a bird-brained Cannon-Ball. A nautical extravaganza of eccentric experiments.

A certifiably crazy clown show with lots of audience participation, sensational circus skills and hilarious feats of derring-do suitable for the whole family. They are a Legend in their own Lifeboat.

Created and performed by Karen Bell and Dafe Bullock.
Directed by John Lee.

PIRATES, PARROTS, SIRENS AND SEAHORSES - WALKABOUT / DRIVEABOUT

Captain Bullock rides Polly, his temperamental, permanently peckish, giant parrot, on a quest for treasure, birdseed and romance.

Meanwhile Meranda the gorgeous Mermaid, in her seahorse drawn chariot, flirts with passing handsome sailors. Meet the seahorses, swim "n" dance to disco classics and learn her beauty secrets.
