

Joy Riding Reindeer

Promotional Copy:

Meet Basher and Crasher, the cud chewin', fun lovin', hoovy groovy reindeer. Whilst Santa wasn't looking (probably scoffing mince pies and supping that whiskey again) the rebel reindeer half inched his new self-propelled sleigh and are now cruising the streets blasting out the Christmas tunes. They'll astound you with reindeer magic, that's normal magic with added antlers, then stick around and try their amazing Lapland Experience: go ice fishing, smell reindeer poo and see the Aurora Borealis!
