

Belladonna the Witch

Promotional Copy:

Meet Belladonna the Witch. She's very busy casting spells, making potions and feeding her ever hungry Venus Flytraps. Is your hand steady enough that you dare to feed the flytraps yourself? Or will you help Aristotle the batty bluebottle to escape from their deadly clutches? Watch out that you don't get sucked in by her charm too, as she entices the foolish fly towards his sweet, toothy decline.
