

Bell and Bullock – Walkabout Act - **Mind Your Peas and Cues**

Promotional Copy:

From his mobile potting shed table, gardener Hugh Bushey Babcock shares his green fingered secrets and introduces Leia his prize winning, walking, talking psychic leek.

With a little audience participation they use her powers of clairvoyance to deduce people's favourite vegetables, then demonstrate the giant carrot chopper (mind your fingers on the guillotine – they could end up in the soup!) and miraculously raise a drooping rose from almost certain death.
