From his mobile work bench gardener Hugh shares his green fingered secrets and introduces Saskia, his potted psychic assistant. She's special (he grew her from a Sunflower seed) and she can guess people's favourite vegetables! Meanwhile a pesky rabbit has been seen lurking around Hugh's allotment, can they catch it or will it steal all his carrots? Finally, if you dare, watch the deadly dangerous Giant Carrot Chopper in action! With magic, mind reading and tricks galore this family show is a garden of delights!
