Promotional Copy (Please use as much or as little as you need):

With a new born chick and an egg to hatch, Reggie and Ruby Robin are on a Quest for a Nest, and in this instance, a swinging nest! To keep themselves as warm as possible, they break into a boogie wherever they go, propelled by Christmas magic and the greatest seasonal music (expect plenty of festive jazz and old time crooners!). They spread as much Christmas cheer as they can with their incredibly fancy footwork and joy of jiving. You may even get to join in with the actions of the Birdy Song (go on you know you want to!)
