

BELL & BULLOCK

All At Sea

Promotional Copy:

The debonair Captain Monty Montague pilots his luxury cabin cruiser whilst towing his gorgeous water skiing wife Minty. Join them for a spot of tiddler fishing from their offshore tax haven and take care not to end up as catch of the day yourself! Enjoy a relaxing swim as they sell you the “high life”, but beware of the shark infested waters where dark and dangerous sea creatures could creep up on you at any time...

Show Day contact number: 07910 693890

Personnel: Two Performers, both will ride on the contraption, one in the Cabin Cruiser, the other on the Water Skis.

Set Building and Preparation:

We will arrive at least 1 hour before our first performance for the pre-set and to prepare.

Technical Specifications:

- ◆ The cabin cruiser is based on a mobility scooter and has a top speed of 4mph. It can be driven on flat surfaces, paved or grass, but not steps, big cobbles or very steep inclines.
- ◆ The cabin cruiser with ski trolley consists of two sections, **1.5m long** which will fit through a regular single doorway. In total it is: **3m long, 0.68m wide and 1.1m high.**
- ◆ The machine contains the sound system for the act and is self contained for power.

Our Requirements:

- ◆ A safe place to store the machine between show spots. This can be outdoors as we have waterproof tarpaulin covers.
- ◆ Having a place to store the machine overnight is greatly appreciated, where possible, as it saves us from having to de-rig and build the set again the next day.
- ◆ Secure changing facilities (we can use our van if needed) with access to backstage toilets.
- ◆ Parking for our van (preferably close to the performance area). It is a Blue Peugeot Boxer Registration: **FH66 VJC**. Dimensions: **6.4m long, 2.5m wide and 2.5m high.**
