

BELL & BULLOCK

Belladonna the Witch

Promotional Copy:

Here comes Belladonna the Witch in her lean green Venus Flytrap machine with her pet fly Aristotle the batty Bluebottle. You can meet his cute baby maggots and try on “fly-vision” glasses or are you brave enough to feed the fiendish flytraps yourself?!

Show Day contact number: 07910 693890

Personnel: Two Performers, one will ride on the Chariot, the other will be on foot.

Set Building and Preparation:

We will arrive at least 1 hour before our first performance for the pre-set and to prepare.

Technical Specifications:

- ◆ The Chariot is based on a mobility scooter and has a top speed of 4mph. It can be driven on flat surfaces, paved or grass, but not steps, big cobbles or very steep inclines.
- ◆ The Chariot is **1.2m long, 0.62m wide and 1.6 m high** and will fit through a regular single doorway.
- ◆ The machine contains the sound system for the act and is self contained for power.

Our Requirements:

- ◆ A safe place to store the machine between show spots. This can be outdoors as we have waterproof tarpaulin covers.
- ◆ Having a place to store the machine overnight is greatly appreciated, where possible, as it saves us from having to de-rig and build the set again the next day.
- ◆ Secure changing facilities (we can use our van if needed) with access to backstage toilets.
- ◆ Parking for our van (preferably close to the performance area). It is a Blue Peugeot Boxer Registration: **FH66 VJC**. Dimensions: **6.4m long, 2.5m wide and 2.5m high**.
