STREET THEATRE

Illuminated Time Travellers

Promotional Copy:

Behold the Illuminated Time Machine; an incredible piece of eccentric engineering. Let Professor Warp and Miss Weft, our two intrepid Victorian time travellers, show you their box of cosmic secrets. They glide through the night creating a warm glow wherever they go.

Show Day contact number: 07910 693890

Set Building and Preparation:

We will arrive at least 1 hour before our first performance for the pre-set and to prepare.

Personnel: Two Performers, both will ride in the Time Machine.

Technical Specifications:

- ◆ The Time Machine is based on a mobility scooter and has a top speed of 4mph. It can be driven on flat surfaces, paved or grass, but not steps, big cobbles or very steep inclines.
- ◆ The Machine is **2m long, 1.14m wide and 1.8m high**. and will fit through a regular double doorway.
- ◆ The machine contains the sound system for the act and is self contained for power.

Our Requirements:

- ◆ A safe place to store the machine between show spots. This can be outdoors as we have waterproof tarpaulin covers.
- ◆ For multiple day bookings having a place to store the machine overnight is greatly appreciated, where possible, as it saves us from having to de-rig and rebuild the next day.
- ◆ Secure changing facilities (we can use our van if needed) with access to backstage toilets.
- ◆ Parking for our van (preferably close to the performance area). It is a Blue Peugeot Boxer Registration: **FH66 VJC**. Dimensions: **6.4m long, 2.5m wide and 2.5m high**.
