## STREET THEATRE

### No Flies on Uzzz!

### Promotional Copy:

What's that buzzing noise? Somebody grab the fly swat! Oh wait, we might need a bigger swat... Here come Aristotle and Felicity Bluebottle, the two charming and cultured flies. Become a literal fly on the wall and experience the world through the (many) eyes of a fly. Meet their beautiful offspring, the cute baby maggots, whom they love to show off to anyone who'll listen! Be prepared to share your snacks or swat them before they land on you! And don't think running away will help, these guys can fly fast...
