

# BELL & BULLOCK

## Snowbiz

### Promotional Copy:

Queen Snowella is recruiting ~~slaves~~ **servants** to work in her Ice Palace. She roams around in her amazing Snowman drawn chariot offering great working conditions and live-in accommodation. Reggie Robin, her chief recruiting officer, will take down your details whilst whispering warnings about zero-hour contracts and the rodent infested cold damp dungeon. (You'll be fine if you keep feeding the rats!).

Visually stunning and heaps of fun, we find that parents are surprisingly eager to sign over their offspring.

**Show Day contact number: 07910 693890**

**Personnel:** Two Performers, one will ride on the Chariot, the other will be on foot.

### Set Building and Preparation:

We will arrive at least 1 hour before our first performance for the pre-set and to prepare.

### Technical Specifications:

- ◆ The Chariot is based on a mobility scooter and has a top speed of 4mph. It can be driven on flat surfaces, paved or grass, but not steps, big cobbles or very steep inclines.
- ◆ The Chariot is **1.2m long, 0.62m wide and 1.6 m high** and will fit through a regular single doorway.
- ◆ The machine contains the sound system for the act and is self contained for power.

### Our Requirements:

- ◆ A safe place to store the machine between show spots. This can be outdoors as we have waterproof tarpaulin covers.
- ◆ Having a place to store the machine overnight is greatly appreciated, where possible, as it saves us from having to de-rig and build the set again the next day.
- ◆ Secure changing facilities (we can use our van if needed) with access to backstage toilets.
- ◆ Parking for our van (preferably close to the performance area). It is a Blue Peugeot Boxer Registration: **FH66 VJC**. Dimensions: **6.4m long, 2.5m wide and 2.5m high**.
